Fees are our only source of income. To operate efficiently we require that fees be kept up to date.

For those that wish **to retain a regular booking** payment is required 2 weeks in advance. Shorter-term payments may be arranged by automatic payments directly to the programme bank account. Please see the programme manager and obtain the appropriate form. The rate charged is dependent on a 'firm' booking. When a child attends extra days, which are outside of the confirmed booking, these will be charged at the casual rate. The 'early pick up' rate is only payable for confirmed early pick up bookings. Two weeks notice, in writing, must be provided if a child is to be withdrawn from the programme or there is a change required to the days of care, otherwise a 2-week fee is payable based on the previous booking. **NO refunds** are given for absences and all public holidays are charged at the applicable rate for bookings normally required that day.

I declare that I have read this document fully and that the information given above is true. I acknowledge that in order to keep my place at SKIDS that I need to keep my account up to date.

[I have attached the first two weeks payment in advance. I am aware that any default by me for the payment of outstanding fees may result in debt collection action and all costs associated with this action will be at my care.](#)

I acknowledge that it is my responsibility to advise SKIDS immediately of any change in the above information.
