### **New Sports Uniform**

A sports committee comprising board members, staff and parents have been working for some time on the design of a new sports uniform, to be available for 2016. The school needs to replace depleted stocks of worn out, out dated sports uniforms and it can no longer sustain issuing these to representative teams, so an alternative is necessary. It has been decided to replace the whanau tops with a sports uniform which will look smart at both school and out of school events. Whanau representation will be shown by a coloured wristband.

The new design, chosen in consultation with students, is the same for all children and will enable you to pass it on through your family or sell second hand. We have selected the same shorts BBI use so they will be able to be carried on through. The fabric and design we have chosen is both practical and durable, and supports N.Z. industry.

Years 1-6 are encouraged to purchase the new uniform, although junior students who have recently purchased a Whanau shirt may prefer to wear these in Years 1 & 2.

The intention is for older children who represent BBPS at inter school fixtures to wear the new uniform and so Years 3-6 are particularly encouraged to buy the new uniform.

New uniforms are expected to be available from John Russell in Howick in mid March 2016.

They include: sports shirt \$49, sports short \$20 & a choice of cap, wide brim or bucket hat for \$15.50.

### **School lunches 2016**

Ezylunch (an online lunch ordering system), replacing our current providers, will be introduced into BBPS from Week 2 next year. More information will be sent home when we return in February.

### **New School Website**

A new school website will go live shortly. If you notice errors/omissions, please let me know so these can be fixed early 2016.

Again, best wishes for the end of 2015, a happy holiday and lots of quality family time. Thanks for all your support this year.

Kind regards
